Since September 2, 2025, all non-immigrant visa applicants, including applicants under the age of 14 and over the age of 79, will generally require an in-person interview with a consular officer.

Appointment Location:

All visa interviews are conducted at the **U.S. Embassy in Paris, 4 Avenue Gabriel, 75008 Paris, France**. Please ensure you arrive at the Embassy address listed above.

Passport Requirement for Travel to the United States

Visitors traveling to the United States are required to hold a passport valid for at least six (6) months beyond the period of their intended stay, unless exempt under a country-specific agreement.

For citizens of countries listed as exempt (see <https://www.cbp.gov/sites/default/files/2025-12/Six-Month%20Passport%20Validity%20Update%2020251218.pdf>), the passport must be valid for at least the duration of their intended stay.

This exemption applies to French citizens.

When coming for an appointment at the U.S. Embassy, you must present the following mandatory documents:

- **A passport valid for travel to the United States** (see passport requirement section above)
- A printed copy of your DS-160 confirmation page. Starting May 1, 2025, all visa applicants MUST bring a DS-160 visa application form with a confirmation/barcode number (starting with AA) that matches the one used to schedule the appointment online. If you appear at your appointment and the DS-160 barcode does not match the one in your appointment profile, you will not be able to attend your interview.
- **Double-Check Your Information Immediately:** Please verify that the barcode number on your DS-160 form matches the one you use to schedule your appointment. If your DS-160 confirmation number does not match, please create a support ticket from your account and submit the updated DS-160 confirmation well in advance to allow sufficient time for our support team to process the change. Please note that the last day our support team can modify the DS-160 number is no later than two business days before the appointment date.
